

## CITY OF SURPRISE DUE DILIGENCE AND CONCEPT MEETING GUIDELINES

### **Overview:**

A Due Diligence and/or Concept Meeting is required prior to submitting design review of a project including, but not limited to, zoning, preliminary or final plats, site plans, and improvement plans. These meetings act as an opportunity for the City to provide a general overview of the development process and preliminary feedback on development proposals. It is recommended that the applicant and their technical team attend the meeting. Prior to these meetings, representatives from various departments will evaluate the project and provide comments at the meeting. These departments include Planning, Engineering, Traffic, Fire-Medical, Building Safety, Real Property, Survey, and GIS.

### **Meeting Types:**

#### Due Diligence Meeting:

The intent of this meeting is to provide information and guidance for property owners, developers, and project designers who are considering developing within the City of Surprise. The meeting provides an opportunity for applicants and staff to discuss planning and zoning issues related to conceptual development plans. Topics may include:

- Potential challenges including planning issues, neighborhood issues, general plan issues, and zoning requirements
- Significant public infrastructure issues

A separate Concept Meeting will be required before a Design Review Application will be accepted.

#### Concept Meeting:

The intent of this meeting is to provide more specific information and guidance for property owners, developers, and project designers who are considering developing within the City of Surprise. Following the meeting, a Concept Meeting Summary will be provided to the applicant that provides:

- A general outline of comments and issues related to planning and infrastructure requirements
- Submittal requirements and fees
- Information about the review process
- Information about public hearing and Council processes

Comments will be preliminary in nature and additional comments may be provided during staff review of the formal submittal.

### **Scheduling:**

Due Diligence Meetings: Meetings are scheduled every Thursday between the hours of 2:30 p.m. – 4 p.m. The meetings are generally allotted 45 minutes. Meeting times may be reserved by submitting all required documents to the Development Center Information Counter at City Hall or to the Project Coordinator. Materials must be received on or before Wednesday at 4 p.m., the week prior to the desired meeting date.

Concept Meetings: Meetings are scheduled every Thursday between the hours of 8:45 a.m. – 11 a.m. The meetings are generally allotted 45 minutes. Materials must be received on or before Wednesday at 4 p.m., two weeks prior to the Concept Meeting date. Meeting times are filled on a first come, first served basis. If the desired week's schedule is filled, the applicant will receive the first available spot on the following week's schedule.

### **Fees:**

Due Diligence Meeting: No fee

Concept Meeting: \$300

**For questions, please contact the Planning Department at (623) 222-3011**

**To schedule a meeting, please contact the Project Coordinator at (623) 222-3099**

## SUBMITTAL REQUIREMENTS

### Due Diligence Meeting:

The following is required for a Due Diligence Meeting:

☐ Application Submittal Form (see page 3 of this document)

☐ Project Narrative

The Project Narrative should provide all information necessary to allow for a thorough understanding of the proposed activity. Include a written discussion/background of the project, desired project timing, and describe any specific questions for staff.

☐ Context Plan

The context plan is an aerial photo that is intended to demonstrate the relationship between the subject site and adjacent developments or properties and to show existing and proposed land use, zoning, streets, infrastructure, site conditions, etc.

☐ Submittal Format

All items above are to be submitted in pdf format on CD or by email.

### Concept Review Meeting:

The following is required for a Concept Review Meeting:

☐ All items required in the Due Diligence Meeting checklist (above)

☐ Conceptual Site Plan

The conceptual site plan or preliminary plat is intended to show all proposed development activities. The level of detailed comments from City staff is dependent on the level of information provided on the Conceptual Site Plan. Suggested items to provide on the plan include:

<input type="checkbox"/> Plan extends to include up to 100' beyond site boundary	<input type="checkbox"/> Building and structures
<input type="checkbox"/> Provide existing and proposed information	<input type="checkbox"/> Fences and walls
<input type="checkbox"/> Project name and location	<input type="checkbox"/> Trash enclosures
<input type="checkbox"/> Scale not less than 1" = 20'	<input type="checkbox"/> Driveway entrances
<input type="checkbox"/> North arrow	<input type="checkbox"/> Ingress and egress points, onsite and adjacent
<input type="checkbox"/> Vicinity map	<input type="checkbox"/> Sidewalks, walkways
<input type="checkbox"/> Boundaries with dimensions	<input type="checkbox"/> Parking areas and drive aisles
<input type="checkbox"/> Site square footage	<input type="checkbox"/> Street widths
<input type="checkbox"/> All rights of way and easements	<input type="checkbox"/> Loading areas
<input type="checkbox"/> Adjacent zoning	<input type="checkbox"/> Drainage facilities
<input type="checkbox"/> Setbacks	<input type="checkbox"/> Utility boxes and structures
<input type="checkbox"/> Phasing	<input type="checkbox"/> Traffic Signals

☐ Site Context Photos (Optional): Number and reference all pictures by location on either the context plan or site plan.

- Provide color photographs at intervals along the perimeter of site every 500'
- Photograph adjacent improvements (curb, gutter, sidewalks, streetlights, hydrants, etc.)
- Provide pictures of existing on-site conditions

☐ Submittal Format:

All items above are to be submitted in pdf format on CD.
